

# ONION FOOD SAFETY ALERT

Four Seasons Produce, Inc.  
August 2, 2020

Onion Recall from Thomson International and FDA Consumer Advisory

On the evening of July 31, a recall for Salmonella Newport was announced for Onions grown and shipped by Thomson International of Bakersfield, CA. The FDA also announced a consumer advisory recommending to not eat onions unless it is known the Onions are not from Thomson International.

Please see the full FDA Announcement [HERE](#).

Four Seasons Produce does **not** buy from Thomson International and is **not** involved in this recall based on the information available. The inventory we have on bulk and bag Onions are from the following sources and available for sale to consumers:

## **CV ONIONS:**

**Red, Yellow, White:** Peri & Sons (CA), Prosource and Desert Jewel (CA), Green Valley Onion (multiple USA regions)

**PA Simply Sweet:** Seminole Produce/Stauffer-Huling Farms (PA)

## **OG ONIONS:**

**Yellow, White:** Country Sweet Produce (CA)

**Red:** Peri & Sons (CA), King Family Farms (PA), Eagle Shadow Farms (PA)

**Sweet:** Country Sweet Produce (CA), King Family Farms (PA)

## **Fresh Cut Onions:**

East Coast Fresh Cuts has confirmed that the Nature's Kitchen fresh cut products we buy from them are **not** involved with the recall.
